

## Information on COVID measures

We look forward to welcoming you to the UEFA EURO 2020 Glasgow Green Fan Zone!

To support us in making the Fan Zone as safe a place as possible, it is important that anyone with symptoms self-isolates with their household and organises a PCR test. You can arrange an appointment to get a PCR test at [Get a free PCR test to check if you have coronavirus \(COVID-19\) - GOV.UK \(www.gov.uk\)](https://www.gov.uk/get-a-free-pcr-test-to-check-if-you-have-coronavirus-covid-19)

However, as about 1 in 3 people with COVID-19 don't have symptoms, in the interests of public health we would strongly encourage all ticket holders and their groups to take a rapid lateral flow test before attending the Fan Zone to help stop the spread of COVID-19. This should be taken at home less than 48 hours before attending, and you should self-isolate with your household and seek a confirmatory PCR test if your result is positive.

You can order home test kits for delivery to your home address, free of charge, via <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>. You can also collect a pack of home test kits from test sites and some pharmacies, free of charge. To find your nearest collection point, use the postcode checker at <https://maps.test-and-trace.nhs.uk/findatestcenter.html>. Alternatively, you can call the National Testing Helpline on 119 (freephone). Every time you take a home test, record the results within 24 hours at <https://www.gov.uk/report-covid19-result>.

Attendance at the Glasgow Green Fan Zone provides an opportunity for people to gather safely in a controlled environment with necessary physical distancing and hygiene measures in place. We have a wide range of safety measures in place which are continually monitored to ensure the safety of everyone. Please ensure you are familiar with the safety measures before arriving for your session and follow all the advice during your time at the event. Further information can be found at <https://euro2020.scottishfa.co.uk/fan-zone/>.

Thank you for playing your part in stopping the spread of COVID-19 and we look forward to seeing you soon!

## What COVID measures are in place?

- There will be physical distancing measures implemented across the whole of the Fan Zone.
- We've increased the frequency of cleaning in all our public areas, including tables, toilets and all sporting activations.
- There are alcohol-based hand sanitiser stations located throughout the Fan Zone.
- All tables are distanced 2m apart from each other and are allocated to allow spectators to ensure physical distancing is maintained.
- In the Food and Beverage Garden, we are operating table service only. Orders can be made via a QR code and you will be served whilst you are seated.
- We are encouraging the use of card and contactless payment methods over cash. We are adhering to the strict safety procedures while serving all food and beverages.
- All staff will be issued with the appropriate PPE
- Clear and informative signage will be located throughout Glasgow Green.

We are strongly encouraging all ticket holders and their groups to take a rapid lateral flow test before attending the Fan Zone to help stop the spread of COVID-19. This should be taken at home less than 48 hours before attending, and you should self-isolate with your household and seek a confirmatory PCR test if your result is positive.
